

Worry-free Travel

Traveling abroad? Take GeoBlue® with you.

Enrollment is EASY and takes only minutes to protect you and your loved ones with affordable travel medical insurance through GeoBlue.

GeoBlue offers short and long term international health plans for all varieties of travel including:

- » business trips
- » family vacations
- » study abroad opportunities
- » volunteer mission trips

Plus, ANYONE can purchase a GeoBlue plan – you don't have to have another Blue Cross policy to enroll!

When you leave the United States, GeoBlue provides access to:

- » Comprehensive coverage including hospitalization, doctor visits and prescriptions
- » Cashless, paperless service – GeoBlue direct bills for care
- » Emergency medical evacuation for urgent, unexpected care
- » An elite network of “best in class” English-speaking, western-trained doctors in 180 countries
- » Online tools, a free app and 24/7/365 concierge support to help schedule appointments, manage care and fill prescriptions
